

Language Scope and Sequence

Reading

IB Conceptual Understandings

Phase 1	Phase 2	Phase 3	Phase 4	Phase 5
<p>Illustrations convey meaning.</p> <p>Print conveys meaning.</p> <p>People read for pleasure.</p> <p>Stories can tell about imagined worlds.</p> <p>Printed information can tell about the real world.</p> <p>There are established ways of setting out print and organising books.</p>	<p>Written language works differently from spoken language.</p> <p>Consistent ways of recording words or ideas enable members of a language community to communicate.</p> <p>People read to learn.</p> <p>The words we see and hear enable use to create pictures in our minds.</p>	<p>Different types of text serve different purposes.</p> <p>What we already know enables us to understand what we read.</p> <p>Applying a range of strategies helps us to read and understand new texts.</p> <p>Wondering about texts and asking questions helps us to understand the meaning.</p> <p>The structure and organisation of written language influences and conveys meaning.</p>	<p>Reading and thinking work together to enable us to make meaning.</p> <p>Checking, rereading and correcting our own reading as we go enable us to read new and more complex texts.</p> <p>Identifying the main ideas in the text helps us to understand what is important.</p> <p>Knowing what we aim to achieve helps us to select useful reference material to conduct research.</p>	<p>Authors structure stories around significant themes.</p> <p>Effective stories have a structure, purpose, and sequence of events (plot) that help to make the author's intention clear.</p> <p>Synthesising ideas and information from texts leads to new ideas and understandings.</p> <p>Reading opens our mind to multiple perspectives and helps us to understand how people think, feel, and act.</p>

Level -1

Comprehension Skills and Strategies

Students read texts at an age-appropriate level and show understanding as they:

- Look at books independently and display reading-like behaviour
- Make connections to own experiences when listening to or 'reading' texts
- Identify main story settings, events and principal characters
- Participate in shared reading, joining in with rhymes, refrains and repeated texts

Word Recognition

Students use a range of word recognition strategies, showing understanding as they:

- Distinguish between pictures and written text
- Recognise familiar words such as own name and environmental print

Level 0

Comprehension Skills and Strategies

Students read texts at an age-appropriate level and show understanding as they:

- Retell or represent the features of familiar stories
- Follows text written in English from left to right and top to bottom
- Ascribe meaning to text
- Demonstrate comprehension by responding to text
- Identify relevant information in fiction and non-fiction text
- Predict what might happen next

Word Recognition

Students use a range of word recognition strategies, showing understanding as they:

- Discriminate between visual representations such as numbers, letters and words
- Recognise words, signs and symbols in familiar contexts
- Recognise familiar grapheme-phoneme correspondences
- Demonstrate an awareness of syllable division

Level 1

Comprehension Skills and Strategies

Students read texts at an age-appropriate level and show understanding as they:

- Recall main ideas and supporting details when retelling texts
- Answer simple literal and inferential questions
- Locate and select texts appropriate to purpose or interest
- Make connections to prior knowledge
- Use illustrations to gain meaning from the text
- Express opinions about the meaning of a story
- Predict what might happen in the context of the text
- Participate in shared reading by asking and responding to questions

Word Recognition

Students use a range of word recognition strategies, showing understanding as they:

- Blend and segment phonemes to read VC and CVC words
- Isolate beginning, middle and end sounds of words with increasing accuracy
- Generate rhyming patterns for CVC words
- Read high-frequency words in different contexts
- Recognise the grapheme-phoneme correspondences of common digraphs
- Demonstrate accurate syllable division

Level 2

Comprehension Skills and Strategies

Students read texts at an age-appropriate level and show understanding as they:

- Recall main ideas and supporting details when retelling texts
- Respond to questions about the text with reference to information found in the text
- Locate and select texts appropriate to purpose, interest and readability
- Ask questions to understand the author's intent
- Express opinions about the meaning of text
- Describe how characters, people and events are represented
- Make connections between prior knowledge with a variety of texts and with fictional characters
- Pay attention to punctuation

Word Recognition

Students use a range of word recognition strategies, showing understanding as they:

- Blend and segment phonemes to read CVCC and CCVC words
- Identify long and short vowel sounds
- Apply knowledge of grapheme-phoneme correspondences in common vowel digraphs and trigraphs
- Identify syllables within a two or three-syllable word
- Read familiar words fluently and accurately

Level 3

Comprehension Skills and Strategies

Students read texts at an age-appropriate level and show understanding as they:

- Recall main ideas and supporting details when retelling texts
- Read to discover answers and gain information
- Respond to texts and make personal connections with facts, characters, and situations
- Locate and select texts appropriate for purpose, interest and readability
- Describe how fiction and different forms of non-fiction texts are organised
- Suggest why characters, people and events are represented in a particular way
- Justify personal responses to texts
- Understand unfamiliar vocabulary by attending to context
- Read with pace and expression paying attention to context and punctuation

Word Recognition

Students use a range of word recognition strategies, showing understanding as they:

- Apply knowledge of less common grapheme-phoneme correspondences
- Decode unfamiliar words fluently and accurately

Level 4

Comprehension Skills and Strategies

Students read texts at an age-appropriate level and deepen understanding by applying strategies to comprehend as they:

- Read to discover answers and gain information
- Locate relevant information in texts
- Recall main ideas and supporting details when retelling texts
- Summarise learning from texts
- Make connections within and between texts
- Select and use texts in multimodal forms to suit a purpose
- Distinguish between fact and opinion
- Justify personal responses to text and understand authors and other readers have different responses
- Refer to literal and inferential evidence from the text
- Identify and describe the techniques authors and illustrators use to influence a reader

Fluency, vocabulary and word recognition

Students show development in fluency, vocabulary, and word recognition as they:

- Use text clues to infer the meaning of subject-specific words
- Make meaning of words by applying knowledge of morphology, phonology, etymology and orthography
- Read with appropriate expression, pace and accuracy

Level 5

Comprehension Skills and Strategies

Students read texts at an age-appropriate level and deepen understanding by applying strategies to comprehend as they:

- Read to discover answers and gain information
- Locate relevant information in texts
- Recall main ideas and supporting details when retelling texts
- Summarise and synthesise learning from texts
- Connect ideas, feelings and attitudes expressed within, and between texts
- Infer meaning from clues found throughout a text
- Question and evaluate a range of multimodal sources to identify relevant information
- Distinguish between fact and opinion, reaching conclusions about what represents valid information
- Identify and describe the techniques authors and illustrators use to influence a reader
- Explain how a range of text forms vary by using knowledge of purpose, text structure and language features
- Recognise literary devices

Fluency, vocabulary and word recognition

Students show development in fluency, vocabulary and word recognition as they:

- Use text clues to infer the meaning of subject-specific words
- Make meaning of words by applying knowledge of morphology, phonology, etymology and orthography
- Read with appropriate expression, pace and accuracy

Level 6

Comprehension Skills and Strategies

Students read texts at an age-appropriate level and deepen understanding by applying strategies to comprehend as they:

- Read to discover answers and gain information
- Locate relevant information in texts
- Recall main ideas and supporting details when retelling texts
- Make inferences and be able to justify them
- Locate, summarise and synthesise information from a range of multimodal sources
- Describe the authors' use of language and interpret meaning beyond the literal
- Discuss and justify own interpretation of a text
- Distinguish between fact and opinion, justifying conclusions about what represents valid information
- Identify and describe the techniques authors and illustrators use to influence a reader
- Identify the genre of a text and explain its purpose and features
- Recognise and interpret literary devices

Fluency, vocabulary and word recognition

Students show development in fluency, vocabulary and word recognition as they:

- Use text clues to infer the meaning of subject-specific words
- Make meaning of words by applying knowledge of morphology, phonology, etymology and orthography
- Read with appropriate expression, pace and accuracy

Writing

IB Conceptual Understandings

Phase 1	Phase 2	Phase 3	Phase 4	Phase 5
<p>Writing conveys meaning.</p> <p>People write to tell about their experiences, ideas, and feelings.</p> <p>Everyone can express themselves in writing.</p> <p>Talking about our stories and pictures helps other people to understand and enjoy them.</p>	<p>People write to communicate.</p> <p>The sound of spoken language can be represented visually (letters, symbols, characters).</p> <p>Consistent ways of recording words or ideas enables members of a language community to understand each other's writing.</p> <p>Written language works differently from spoken language.</p>	<p>We write in different ways for different purposes.</p> <p>The structure of different types of texts includes identifiable features.</p> <p>Applying a range of strategies helps us to express ourselves so that others can enjoy our writing.</p> <p>Thinking about storybook characters and people in real life helps us to develop characters in our own stories.</p> <p>When writing, the words we choose and how we choose to use them enables us to share our imaginings and ideas.</p>	<p>Writing and thinking work together to enable us to express ideas and convey meanings.</p> <p>Asking questions of ourselves and others helps to make our writing more focused and purposeful.</p> <p>The way we structure and organise our writing helps others to understand and appreciate it.</p> <p>Rereading and editing our own writing enables us to express what we want to say more clearly.</p>	<p>Stories that people want to read are built around themes to which they can make connections.</p> <p>Effective stories have a purpose and structure that help to make the author's intention clear.</p> <p>Synthesising ideas enables us to build on what we know, reflect on different perspectives, and express new ideas.</p> <p>Knowing what we aim to achieve helps us to plan and develop different forms of writing.</p> <p>Through the process of planning, drafting, editing, and revising, our writing improves over time.</p>

Level -1

Students use writing to communicate a message as they:

- [Mark-make in a variety of ways](#)
- [Use mark-making for different purposes](#)
- [Demonstrate awareness that writing and drawing are different](#)

Students demonstrate conventions of written text as they:

- [Make marks with increasing understanding of shape and direction](#)

Level 0

Students use writing to communicate a message as they:

- [Assign meaning to own writing](#)
- [Use writing for specific purposes](#)

Students demonstrate conventions of written text as they:

- [Form some identifiable letter shapes](#)
- [Use correct directionality in writing](#)
- [Use some signs and symbols in writing](#)
- [Represent familiar grapheme-phoneme correspondences \(GPCs\) in writing](#)

Level 1

Students use writing to communicate a message as they:

- Write to express ideas, opinions, experiences and feelings
- [Create written text for different purposes](#)
- Create written text to connect with images
- Plan for writing by orally rehearsing and/or drawing
- [Generate own ideas for writing](#)

Students demonstrate conventions of written text as they:

- [Explore different writing structures](#)
- Use the grapheme-phoneme correspondences (GPCs) of common digraphs when writing
- Segment words and write the corresponding letter sounds
- Write some key personal words and high-frequency words
- Form all uppercase and lowercase letters and numerals correctly
- Occasionally use capital letters and full stops to begin and end sentences
- [Compose simple sentences](#)

Level 2

Students use writing to communicate a message as they:

- Use a process to plan, draft, revise, edit and publish a range of texts
- Write ideas, experiences and feelings conveying a main idea
- [Write a range of taught text types](#)
- [Explain the purpose of a piece of writing and the structure that needs to be included](#)
- Uses written text to enhance the meaning of images
- Use vocabulary drawn from other texts or classroom activities in own writing

Students demonstrate conventions of written text as they:

- Correctly spell phonically decodable two and three-syllable words
- Spell key personal words and high-frequency words
- Form all lowercase and uppercase letters correctly with automaticity
- Use full stops and capital letters to punctuate sentences
- [Use simple conjunctions to write compound sentences](#)
- [Consistently use accurate noun-pronoun agreement](#)
- [Consistently use accurate subject-verb agreement](#)

Level 3

Students use writing to communicate a message as they:

- [Use a process to plan, draft, revise, edit and publish a range of texts](#)
- Plan and write to convey main ideas
- Write a range of text types selected according to purpose
- [Develop ideas with supporting detail and descriptive language](#)
- Develop ideas in a logical sequence
- [Use vocabulary drawn from a variety of sources to enhance writing](#)
- [Offer constructive feedback to improve the writing of peers](#)
- Identify next steps needed to improve own writing

Students demonstrate conventions of written text as they:

- Use letter-sound relationships and irregular letter patterns to spell words
- Spell high-frequency words
- Write legibly in a consistent style
- Use capital letters, full stops, question marks correctly
- Begin to use speech marks
- Use adverbs and adjectives to add impact to writing
- Use simple and compound sentences

Level 4

Students use writing at an age-appropriate level to communicate a message as they:

- [Use a process to plan, draft, revise, edit and publish a range of texts](#)
- Demonstrate voice in writing by imitating mentor texts
- Write a range of text types selected according to purpose and audience
- Develop ideas with supporting details and descriptive language
- Organise main ideas and supporting detail into paragraphs
- [Use literary devices in writing](#)
- Use vocabulary drawn from a range of sources to enhance writing
- Offer and receive constructive feedback to improve the writing of themselves and peers

Students demonstrate conventions of written text as they:

- Spell words by applying knowledge of morphology, phonology, etymology and orthography
- Use spelling strategies to self-monitor and self-correct
- Write legibly in a consistent style
- Use capital letters, full stops, question marks and exclamation marks correctly
- Use speech marks, commas, apostrophes
- Follow grammatical rules, vary sentence beginnings, structures and length for impact

Level 5

Students use writing at an age-appropriate level to communicate a message as they:

- [Use a process to plan, draft, revise, edit, and publish a range of texts](#)
- [Demonstrate voice in writing by experimenting with techniques and individual expression](#)
- [Write a range of text types selected according to purpose and audience](#)
- [Develop clear and focused ideas](#)
- [Organise ideas into sustained paragraphs that have a logical flow](#)
- [Use appropriate literary devices to create tone, atmosphere, and mood](#)
- [Use vocabulary drawn from a range of sources to enhance writing](#)
- [Respond to feedback and collaborate to improve the quality of writing](#)

Students demonstrate conventions of written text as they:

- Spell words by applying knowledge of morphology, phonology, etymology and orthography
- Use spelling strategies to self-monitor and self-correct
- Demonstrate fluent, consistent and legible handwriting
- Use punctuation accurately to support meaning
- Follow grammatical rules, vary sentence length and structure for impact, rhythm and flow

Level 6

Students use writing at an age-appropriate level to communicate a message as they:

- [Use a process to plan, draft, revise, edit, and publish a range of texts](#)
- [Demonstrate voice in writing to elicit an intended response](#)
- [Write a range of text types selected according to purpose and audience](#)
- [Fully develop ideas which are convincing and supported](#)
- [Write paragraphs with transitions that enhance meaning and develop ideas](#)
- [Use appropriate literary devices to enhance the impact on the audience](#)
- [Use vocabulary drawn from a range of sources and relevant supporting details to enhance writing](#)
- [Respond to feedback and collaborate to improve the quality of writing](#)

Students demonstrate conventions of written text as they:

- Spell words by applying knowledge of morphology, phonology, etymology and orthography
- Use spelling strategies to self-monitor and self-correct
- Demonstrate fluent, consistent and legible handwriting
- Use punctuation accurately to support and enhance meaning
- Follow grammatical rules, vary sentence length and structure for audience and purpose

Listening and Speaking

IB Conceptual Understandings

Phase 1	Phase 2	Phase 3	Phase 4	Phase 5
<p>Spoken words connect us with others.</p> <p>People listen and speak to share thoughts and feelings.</p> <p>People ask questions to learn from others.</p>	<p>The sounds of language are a symbolic way of representing ideas and objects.</p> <p>People communicate using different languages.</p> <p>Everyone has the right to speak and be listened to.</p>	<p>Spoken language varies according to the purpose and audience.</p> <p>People interpret messages according to their unique experiences and ways of understanding.</p> <p>Spoken communication is different from written communication - it has its own set of roles.</p>	<p>Taking time to reflect on what we hear and say helps us to make informed judgements and form new opinions.</p> <p>Thinking about perspective of our audience helps us to communicate more effectively and appropriately.</p> <p>The grammatical structures of a language enables members of a language community to communicate with each other.</p>	<p>Spoken language can be used to persuade and influence people.</p> <p>Metaphorical language creates strong visual images in our imagination.</p> <p>Listeners identify key ideas in spoken language and synthesise them to create their own understanding.</p> <p>People draw on what they already know in order to infer new meaning from what they hear.</p>

Level -1

Students use receptive and expressive language to communicate as they:

- Listen and join in with stories, songs and rhymes
- Discriminate and recreate vocal and environmental sounds
- Respond appropriately to one-step instructions
- Respond appropriately to “what” and “where” questions
- Use short phrases to express feelings, wants and needs
- Express thoughts and ideas using vocabulary in real life or imaginative play in context

Level 0

Students use receptive and expressive language to communicate as they:

- Listen and show understanding through responding or retelling
- Discriminate rhyming words or alliterative phrases in familiar texts
- Orally segment words
- Use connectives to link two ideas
- Follow two-step instructions
- Understand and respond to 'who', 'what', 'where', 'why' and 'how' questions using full sentences
- Use language to describe experiences and explain thinking
- Hold a conversation with several exchanges, maintaining context in real-life or imaginative play situations
- Ask 'who', 'what', 'where', 'why' and 'how' questions

Level 1

Students use receptive and expressive language to communicate as they:

- Contribute to discussions by asking questions and offering suggestions
- Predict phonemic patterns in poems, songs, rhymes and repeated phrases
- Enunciate beginning, middle and end sounds of words with increasing accuracy
- Give a range of details when describing personal experiences
- Use a range of high-frequency, topic-specific and personal content vocabulary
- Talk about their writing, pictures and models
- Follow the meaning of others' conversations

Level 2

Students use receptive and expressive language to communicate as they:

- Listen and respond in discussions
- Use sequential language including simple connectives to retell events or stories
- Structure simple oral text accurately
- Accurately predict phonemic patterns in poems, songs, rhymes and repeated phrases
- Talk about thinking with others
- Accurately use a bank of high-frequency, topic-specific and personal content words

Level 3

Students use receptive and expressive language to communicate as they:

- Express thoughts, ideas and opinions clearly
- Uses a range of appropriate strategies when speaking to engage an audience
- Actively listen to the contributions of others
- Use specific vocabulary to explain, enquire, and compare
- Adjust speech by using specific vocabulary to suit the purpose and audience

Level 4

Students use age-appropriate receptive and expressive language to communicate as they:

- Determine important information in an oral text
- Organise thoughts and feelings before speaking
- Listen and respond in context during small and large group interactions
- Use correct grammatical structure and organisation in spoken language
- Adapt language to suit audience and purpose
- Use specific vocabulary to explain, enquire, compare and synthesise ideas
- Use tone, volume and intonation to enhance meaning

Level 5

Students use age-appropriate receptive and expressive language to communicate as they:

- Determine important information in an oral text
- Select listening behaviours and appropriate responses to suit purpose and audience
- Verbalize thinking and explain reasoning
- Generate and modify ideas and opinions through discussions
- Use correct grammatical structure and organisation in spoken language
- Paraphrase and summarise when communicating orally
- Justify a point of view
- Adapt language to suit audience and purpose
- Use specific vocabulary to explain, enquire, compare and synthesise ideas
- Select words and literary devices to enhance impact of oral texts
- Use tone, volume and intonation to enhance meaning

Level 6

Students use age-appropriate receptive and expressive language to communicate as they:

- Determine important information in an oral text
- Select listening behaviours and appropriate responses to suit purpose and audience
- Develop, modify and present ideas, opinions and information through discussion
- Use correct grammatical structure and organisation in spoken language
- Paraphrase and summarise when communicating orally
- Debate and justify a point of view
- Infer meanings, draw conclusions and make judgements about oral presentations
- Use specific vocabulary to explain, enquire, compare and synthesise ideas
- Select words and literary devices to enhance impact of oral texts
- Use tone, volume and intonation to enhance meaning

Viewing and Presenting

IB Conceptual Understandings

Phase 1	Phase 2	Phase 3	Phase 4	Phase 5
<p>Visual language is all around us.</p> <p>The pictures, images, and symbols in our environment have meaning.</p> <p>We can enjoy and learn from visual language.</p>	<p>People use static and moving images to communicate ideas and information.</p> <p>Visual texts can immediately gain our attention.</p> <p>Viewing and talking about the images others have created helps us to understand and create our own presentations.</p>	<p>Visual texts can expand our database of sources of information.</p> <p>Visual texts provide alternative means to develop new levels of understanding.</p> <p>Selecting the most suitable forms of visual presentation enhances our ability to express ideas and images.</p> <p>Different visual techniques produce different effects and are used to present different types of information.</p>	<p>Visual texts have the power to influence thinking and behaviour.</p> <p>Interpreting visual texts involves making and informed judgement about the intention of the message.</p> <p>To enhance learning we need to be efficient and constructive users of the internet.</p>	<p>The aim of commercial media is to influence and persuade viewers.</p> <p>Individuals respond differently to visual texts according to their previous experiences, preferences, and perspectives.</p> <p>Knowing about the techniques used in visual texts helps us to interpret presentations and create our own visual effects.</p> <p>Synthesising information from visual texts is dependent upon personal interpretation and leads to new understandings.</p>

Level -1

Students show an understanding of semiotic systems and codes when viewing as they:

- Recognise common signs and symbols used in the environment
- Make connections to different media

Students show an understanding of semiotic systems and codes when presenting as they:

- Use media, colours, shapes and symbols to present ideas

Level 0

Students show an understanding of semiotic systems and codes when viewing as they:

- Recognise and make observations about common signs and symbols used in the environment
- Interpret and respond to different media

Students show an understanding of semiotic systems and codes when presenting as they:

- Select and use media, colours, shapes and symbols to convey meaning

Level 1

Students show an understanding of semiotic systems and codes when viewing as they:

- Recognise familiar signs and logos in the environment
- Identify the elements in a multimodal text
- Explain their response to visual images or multimodal texts

Students show an understanding of semiotic systems and codes when presenting as they:

- Create a simple multimodal text
- Experiment with visual, spatial, gestural and language systems to convey emotions and meaning

Level 2

Students show an understanding of semiotic systems and codes when viewing as they:

- Make meaning from visual images or multimodal texts
- Discuss the creator's purpose when observing visual images or multimodal texts
- Make comparisons between visual images or multimodal texts

Students show an understanding of semiotic systems and codes when presenting as they:

- Create multimodal texts to convey a message
- Create multimodal texts that include gestural, visual, auditory, spatial and language systems

Level 3

Students show an understanding of semiotic systems and codes when viewing as they:

- Discuss different interpretations of the same visual image or multimodal texts
- Make suggestions about the purpose and audience of visual images or multimodal texts
- Identify different elements that have been selected and arranged to achieve an impact
- Use technical language to discuss visual images or multimodal texts

Students show an understanding of semiotic systems and codes when presenting as they:

- Create multimodal texts that include visual, auditory, spatial, gestural and language systems
- Explain how the elements of their own multimodal texts work together

Level 4

Students show an understanding of semiotic systems and codes when viewing as they:

- Discuss and justify interpretations of visual images or multimodal texts
- Explain how different elements have been constructed to produce meaning for a specific purpose
- Explain how the elements of a multimodal text have been selected to produce meaning for a specific audience and purpose
- Use technical language to discuss visual images and multimodal texts
- Make connections between personal experiences and multimodal texts

Students show an understanding of semiotic systems and codes when presenting as they:

- Select and use an appropriate layout for an intended audience and purpose
- Create multimodal texts using a range of tools combining different elements and techniques for a particular purpose
- Use visual, auditory, spatial, gestural and language systems to reinforce oral presentations

Level 5

Students show an understanding of semiotic systems and codes when viewing as they:

- Recognise that audiences make their own interpretation of texts dependent on personal experience
- Explain how the elements of a multimodal text have been selected to produce meaning for a specific purpose and audience
- Analyse structure, elements and techniques that make multimodal texts effective using appropriate terminology
- Synthesise meaning from a range of multimodal texts

Students show an understanding of semiotic systems and codes when presenting as they:

- Create multimodal texts and explain how the elements work together for a particular purpose
- Use visual, auditory, spatial, gestural and language systems to reinforce oral presentations
- Apply and justify different techniques used to influence the audience

Level 6

Students show an understanding of semiotic systems and codes when viewing as they:

- Critically analyse a range of visual texts, communicating understanding through oral, written and visual media
- Identify how the information presented may reflect one view and that other interpretations are possible
- Compare and contrast how elements and techniques are used in different text types
- Identify overt, subliminal and cultural messages
- Compare how an issue is presented through different media

Students show an understanding of semiotic systems and codes when presenting as they:

- Create multimodal texts with the intention of influencing the audience
- Use a range of multimedia to prepare visual presentations
- Use visual, auditory, spatial, gestural and language systems to enhance oral presentations and influence the audience
