Level 4

Comprehension Skills and Strategies

Students read texts at an age-appropriate level and deepen understanding by applying strategies to comprehend as they:

- Read to discover answers and gain information
- Locate relevant information in texts
- · Recall main ideas and supporting details when retelling texts
- Summarise learning from texts
- · Make connections within and between texts
- · Select and use texts in multimodal forms to suit a purpose
- Distinguish between fact and opinion
- Justify personal responses to text and understand authors and other readers have different responses
- · Refer to literal and inferential evidence from the text
- Identify and describe the techniques authors and illustrators use to influence a reader

Fluency, vocabulary and word recognition

Students show development in fluency, vocabulary, and word recognition as they:

- Use text clues to infer the meaning of subject-specific words
- Make meaning of words by applying knowledge of morphology, phonology, etymology and orthography
- · Read with appropriate expression, pace and accuracy

IB Conceptual Understandings

Phase 1	Phase 2	Phase 3	Phase 4	Phase 5
Writing conveys meaning. People write to tell about their experiences, ideas, and feelings. Everyone can express themselves in writing. Talking about our stories and pictures helps other people to understand and enjoy them.	People write to communicate. The sound of spoken language can be represented visually (letters, symbols, characters). Consistent ways of recording words or ideas enables	We write in different ways for different purposes. The structure of different types of texts includes identifiable features. Applying a range of strategies helps us to express ourselves so that others can enjoy our writing. Thinking about storybook characters and people in real life	Writing and thinking work together to enable us to express ideas and convey meanings. Asking questions of ourselves and others helps to make our writing more focused and purposeful. The way we structure and organise our writing helps others to understand and appreciate it. Rereading and editing	Stories that people

Level 4

Students use writing at an age-appropriate level to communicate a message as they:

- Use a process to plan, draft, revise, edit and publish a range of texts
- Demonstrate voice in writing by imitating mentor texts
- Write a range of text types selected according to purpose and audience
- Develop ideas with supporting details and descriptive language
- Organise main ideas and supporting detail into paragraphs
- Use literary devices in writing

- Use vocabulary drawn from a range of sources to enhance writing
- Offer and receive constructive feedback to improve the writing of themselves and peers

Students demonstrate conventions of written text as they:

- Spell words by applying knowledge of morphology, phonology, etymology and orthography
- Use spelling strategies to self-monitor and self-correct
- Write legibly in a consistent style
- Use capital letters, full stops, question marks and exclamation marks correctly
- Use speech marks, commas, apostrophes
- Follow grammatical rules, vary sentence beginnings, structures and length for impact

Level 4

Students use age-appropriate receptive and expressive language to communicate as they:

- Determine important information in an oral text
- Organise thoughts and feelings before speaking
- · Listen and respond in context during small and large group interactions
- Use correct grammatical structure and organisation in spoken language
- Adapt language to suit audience and purpose
- Use specific vocabulary to explain, enquire, compare and synthesise ideas
- Use tone, volume and intonation to enhance meaning

IB Conceptual Understandings

Visual language is all People use static and Visual texts can	Visual texts have the The	
around us. The pictures, images, and symbols in our environment have meaning. We can enjoy and learn from visual language. Meaning about the images others have created helps us to understand and create our own presentations. Different visual techniques produce different effects and are used to presen different types of information. Presentation enhar our ability to exprese ideas and images.	se power to influence med thinking and behaviour. Indives involves making and different of about the intention of previous the message. To enhance learning we need to be efficient know and constructive users of the internet. So of the internet. Synt informed judgement texts preference persent texts of the internet. Synt	

Level 4

Students show an understanding of semiotic systems and codes when viewing as they:

- · Discuss and justify interpretations of visual images or multimodal texts
- Explain how different elements have been constructed to produce meaning for a specific purpose
- Explain how the elements of a multimodal text have been selected to produce meaning for a specific audience and purpose
- Use technical language to discuss visual images and multimodal texts
- · Make connections between personal experiences and multimodal texts

Students show an understanding of semiotic systems and codes when presenting as they:

- Select and use an appropriate layout for an intended audience and purpose
- Create multimodal texts using a range of tools combining different elements and techniques for a particular purpose
- Use visual, auditory, spatial, gestural and language systems to reinforce oral presentations
